MEMORANDUM FOR: President, GEHA Incorporated

SUBJECT : Worldwide Flight Insurance

1. In reference to the attached folder concerning worldwide flight insurance offered by Mutual of Omaha, I feel that this policy would be of definite interest to Agency employees. The only drawback is the fact that it is limited to 30 days which may be a disadvantage in that a number of our employees, on overseas trips, are gone far more than 30 days.

2. It is suggested that you present this flight insurance plan to the Board at its next meeting; meantime, see if Omaha would waive the 30 day requirement or amend the policy to extend it to at least another 30 days.
